

Biography

Speaker: Eng. Dr. Vincent B.A. Kasangaki

Position: Board Member

Company: Electricity Regulatory Authority

Country: Uganda

Eng. Dr Vincent B.A. Kasangaki is a professional Registered Electrical Engineer with over 30 years experience in the field of Electrical Engineering, specialising in electric power systems operations and planning, energy management and planning, control systems, and analogue and digital communication systems. He has been the lead Electrical Consulting Engineer for several projects in Uganda. He is a former member of the Electricity Regulatory Authority, Uganda, a Past President of the Uganda Institution of Professional Engineers; a former member of the Engineers Registration Board, Uganda; a former Head, Department of Electrical Engineering, Makerere University; Kampala, Uganda, and former Business Manager, Technology Consults Limited. Technology Consults Limited is the consulting arm of the Faculty of Technology, Makerere University. He taught in the Department of Electrical Engineering at Makerere University for 27 years (1976 – 2003) where he rose from the rank of Tutorial Fellow to that of Associate Professor. From June 2000 to April 2010 he served as member of the Board of the Electricity Regulatory Authority, Uganda; and is therefore versed with issues of utility regulation, and power sector development.

Eng. Dr. Vincent B.A. Kasangaki holds a Ph.D. in Electrical Engineering from Temple University, Philadelphia, USA; an M.Sc in Engineering Control from the University of Sussex, England; and a B.Sc in Engineering from Makerere University, Kampala, Uganda.
